

STANSTED PARISH COUNCIL

STANDING ORDERS

INTRODUCTION

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A Council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. These standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The standing orders do not include financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer.

NOTES

Standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs

For convenience, the word "Councillor" is used in standing orders and, unless the context suggests otherwise, includes a non-Councillor with or without voting rights.

1. RULES OF DEBATE AT MEETINGS

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the Chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the Chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the Chairman of the meeting, is expressed in writing to the Chairman.
- h A Councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
