4 MATTERS ARISING FROM THE MINUTES NOT ELSEWHERE ON THE AGENDA

297 There were no matters arising.

Suspension of meeting for County and Borough Councillors' Reports

Cllr Falconer suspended the meeting to allow KCC Cllr Harry Rayner and TMBC Cllr Martin Coffin .

KCC Cllr Rayner said that he was working with Wrotham and neighbouring parishes to oppose the MOTO lorry park application. If granted the lorry park would have a serious impact on local highways, A20, A227 and A25 and on neighbouring parishes, especially Trottiscliffe and Addington. He said that Wrotham Parish Council have appointed a barrister, town planner, and highways engineer to oppose the application. He thought that the application would be likely to go to the Planning Inspectorate.

Cllr Rayner also said that it was a difficult time for the KCC budget, with inflation issues.

TMBC Cllr Martin Coffin said that he was opposed to the MOTO application. He talked about the new initiative OpAssist, with KCC, Kent Police and TMBC all targeting rural crime and especially fly-tipping in the area. He said that the regular brown garden bin waste collection should be reinstated in March, but it was not known when the bulky waste collections would begin.

Cllr Falconer thanked Cllrs Coffin and Rayner and reconvened the meeting.

5 HIGHWAYS

a. Presentation of Parish Traffic Plan to members of the public

298 Cllr Falconer gave the presentation with slides and explained the objectives and methods of the Plan.

Cllr Falconer then suspended the meeting to take questions and comments from members of the public.

Comments and suggestions included:

Installation of “sleeping policemen”; installation of chicanes; introduction of speed limit through the villages.

These ideas had been considered during the development of the plan but were not appropriate for the Parish at present.

Installation of ANPR cameras

Additional village gateway on Malthouse Road, before VH car park (when approaching from Ash direction)

Decorative Parish sign

These proposals would be considered.

A large majority of the members of the public present were in favour of the Plan as presented, and nobody disagreed.

Cllr Falconer thanked the members of the public and reconvened the meeting.

b Traffic Plan, signage – further actions

299 It was unanimously agreed that a village sign for Fairseat “island” with Invicta white horse symbol should be ordered.

It was agreed that discussion on road name signs be carried forward.

Cllr Brooker confirmed that he was happy to order the village gateways and was liaising with a solicitor re agreement with landowners.

Clerk to confirm number of gates to be ordered.
